### **Haindhava Nirvachana Yathra**

(A global mission to bring awareness of the Hindu definition to every household worldwide)

**What is the definition of Sanathana Dharma or Hindu Dharma?**

A human, born with primal instincts, evolves into a complete being through Shodasha Samskaras, Pancha Mahayajnas, and Chaturvidha Purusharthas, facilitating complete personal growth. This journey culminates in Moksha, Divinity and service to humanity, embodied in the principle 'Atmano Mokshartha, Jagat Hitayacha' - seeking salvation for oneself while working for the world's well-being. This eternal path, guided by Dharma Shastra which was acquired through enduring sacrifices, sadhana and penance and preserved through the lineage of Rishis, Gurus, and Kula Devatas, is known as Sanatana Dharma or Hindu Dharma.

**Message 2 :** :What is the definition of Hindu ? :

*To put it mildly ...*

***"A person who sees God in himself and in all others, a descendant of the Indian soil, of the Indian spiritual heritage, is known as a Hindu/Haindava/Sanatani"***

**OR** *In detail ...*

**"To those for whom India is the Dharmabhumi, the Punyabhumi and also Fatherland or Motherland or the land of Spiritual guidance (Guru Bhumi). And who recognize that there is a Supreme Soul that governs the entire creation and that can be realized within oneself in this lifetime or the next, by spiritual practices (sadhana) or by the grace of their family deity (KulaDevatha) or by the grace of their Guru for the sake of Moksha. Thus "Atmano Mokshartha, Jagat Hitayacha" that is, for the sake of welfare of whole universe along salvation of own soul, any person who possesses the requisite Shasthras, inner motivation and appropriate actions such a person is called a Hindu (Haindhava) / Sanatani."**

This concept of the Hindu definition is extensively explored in various Hindu scriptures, including the Vedas, Upanishads, Upavedas, Puranas, Darshanas, Mahakavyas, Agamas, Smritis, Guru Geetas, Vachanas, and Sutras, providing a rich and elaborated understanding of the subject. Regardless of the sampradaya or tradition you belong to, this definition is universally applicable to all Hindus. Whether you identify with Gothra, Kavu, Theyyam, Temple, Yaga-Homa, Yoga, Vedic, Tantra, Hatha, Yogi, Siddha, Dhyana, Shaiva, Vaishnava, Shakteya, Ganapatya, Saura, Kumara, or Bhuta traditions, or associate with any particular caste, gotra, or social class, this definition is inclusive of all Hindus. And to know so many such other ancient things, here is one book to know all.

For those interested in propagating Hindu Dharma. Opportunity to earn from Rs. Twenty to Ninety Six Lakhs. For this all you have to do is introduce this book to just seven people\*.

Along with this, the Hindu Society Re-Building Campaign is going on inspired by the Rigveda's (9.63.5) shloka, 'Krinvanto Vishwam Aryam,' which means 'Make the world noble. On the journey from animality to humanity or to Hinduism, every individual has to go through the Upanayana or Diksha samskara of the Shodash Sanskara. This is followed in many Sampradayas according to their own customs. However, for many centuries, a large section of the population has missed this ceremony. So bring the large section under the part of the universal humanity of divine grace of bliss by establishing an umbilical connection with God, While maintaining the own traditional clan customs and traditions, with the concept of self-realization - God-realization, we are organizing The Tantra Diksha, Yoga Diksha, Yajnopavitham or The Upanayana ceremony. **Message 1**

**Salutations to Atma Swarupan,**

**Are you Hindu? So can you define Hindu? Can you give the identity of Hindu? Such is the story of the milestone. It does not know it's value ? Sometime some people spit on it, some people urinate on it. Some people even don't care, but it is a very useful tool for all travelers. It is a valuable tool that shows their target's direction and distance. If even a small price is fixed for its service, people would queue up in front of it, pay and get service. Similar is the plight of the Hindu. Without them humanity has no future. It can go astray without a goal. The destruction of nature can make life look like hell. The entire destiny of mankind is bound up with the destiny of Hindus. Once Hindus plunge into darkness, the world has no future. The Hindu race also needs to realize their value to save Mother Earth and humanity from the brink of destruction and to secure a future where future generations will flourish in peace and prosperity. "Hindu Nirvachana Yathra" is a valuable step in that direction. The objective of this mission is to give or define the concept or identity of Hindu to every Hindu. There are two messages here. In the second message there is "Hindu definition". Within 24 hours of receiving this message, it should be written beautifully on a piece of paper and pasted in a place where everyone can see it in the home. Then these two messages should be forwarded to seven people including your relatives and friends. Please do not share to groups. This is going to be the biggest Hindu mission since the great victory of Maha Kumbh Mela and another haste to prove that the Hindu once decided, carries it to its ultimate triumph. There is no cost to you. What to do, memorize the Hindu definition. Let the young and old in your family memorize it. Then share it with seven people. So if everyone who gets this message does this, we can make 25 crore people aware of this Hindu identity in just ten days. It will no doubt lead to a glorious and divine future for the humanity of coming era.**
